Kelly Leo Gneiting

Mandatory Vaccines is already law! There is already precedence! This should amaze, shock and terrify you! No one is talking about this. Will you obey God rather than man?

"And he (second beast, the church) had power to give life unto the image of the beast (government), that the image of the beast should both speak, and cause that as many as would not worship the image of the beast (obey government mandates) should be killed." -Revelations 13:15

And I sincerely HATE to be the bearer of bad news but churches, INCLUDING THE MORMON CHURCH, will support the government's use of force to vaccinate! SEARCH YOUR SOUL.

People have been trying to warn the world for a very long time ☹.
